DECLARATION OF JEFFREY W. KASLE

I am a member in good standing on the Bar of Rhode Island since 1981 and am admitted to practice in this Court.

On October 10, 2018, I informed the Superior Court that the 247 persons that I represent (in connection with meetings with the Receiver), fully supported Settlement A (involving claims against Chartercare Community Board, Roger Williams Hospital and St. Joseph Health Services of Rhode Island).

I wish to repeat that statement of full support to this Court and to say that the same is true with regard to Settlement B (involving claims against CharterCARE Foundation).

In short, my clients fully support both settlements including the requested attorney's fees.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on this 13 of August, 2019 in Rhode Island.

Jeffrey W. Kasle
