

**NOTICE TO ALL PENSION PLAN PARTICIPANTS  
OF ADVISORY COMMITTEE MEMBERS**

**RE: St. Josephs Health Services of Rhode Island  
Retirement Plan, as amended**

As you are aware, I previously sent a survey to all Plan participants in an effort to identify those interested in serving on either the Communications Committee (Ad Hoc Committee) or the Advisory Committee. After my receipt and review of completed surveys from those Plan participants who volunteered to serve on the Advisory Committee, I have made my selection of the initial members of the Advisory Committee. As I previously indicated, committee seats were limited. After providing committee seats to counsel to the Union and their two designees, Attorneys Violet and Senville and their two designees from the group of Plan participants they represent, as well as Attorney Kasle and two designees from his group of Plan participants, I selected eight (8) participants who, at this time, are not part of any of those groups. Participants who completed the survey and volunteered to serve on the Advisory Committee who are members of the Union, Attorneys Violet and Senville's group, or Attorney Kasle's group were excluded from consideration when selecting the eight members so as to be certain all currently existing groups of Plan participants are equally represented on the Committee. The eight members I selected from the remaining interested people are: Elaine Narducci, Carol Leporacci, H. John Keimig, Robert Sechio, Ernest Balasco, Norma Shannon, Kenneth Roberge and Gabrielle Laplante. The first meeting of the Advisory Committee is scheduled for Thursday, December 28, 2017. Contact information for all members of the Advisory Committee will be provided after the Committee's initial meeting.

Thank you to all who expressed an interest in serving on the Committees and I will keep all notified if the Committee membership requires additions or substitutions.

Very truly yours,

Stephen F. Del Sesto, Esq.  
Permanent Receiver of the Plan  
and not individually
