Del Berto et al. v. Prospect Charter
Care LLC et al. RECEIVED
00328 - WES - LDA

JUN 13 2019

Your Honor,

U.S. DISTRICT COURT
DISTRICT OF R.I.

I am objecting to the settlement.
The settlement is for half of
the money that should ^{have} gone into
the Plan. The lawyers will
be taking a good share and
that leaves very little to
go back into the Plan.

It seems to me there will
always be an ongoing threat
to the Plan, because now
one is taking responsibility
for funding the Plan.

I was promised a Pension
for the rest of my life.

This is an action of fraud
and should be treated as
such.

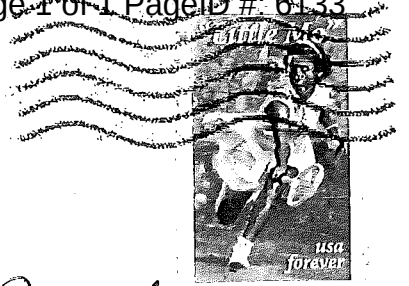

When allowed the sale
of St Joseph without first
dealing with the Pension.
Doesn't the state of R.I
advocate for evs? Or can
a company just stop funding
a pension if they feel like it.
I depend on this pension.
I gave them years of
loyalty. When a company is
sold with an ongoing Pension
the Pension goes with the sale.
This is fraud. Deal with
it as it should be.

Sincerely
Lydia A. Corney
